MAKING A DIFFERENCE

Minority communities have been hit hard by the COVID-19 pandemic. Latino and Black residents have seen the highest percentage of positive cases in Illinois and Humboldt Park has been greatly affected. Your purchase of a Gala sponsorship directly supports Humboldt Park Health programs to advance health equity by ensuring health and wellness for everyone, regardless of race, religion, gender, language, immigration status, or zip code. Now, more than ever, you can make a difference in the lives of vulnerable residents in our community.
